SPECIAL EVENT EMS

The **Wisconsin Bike Patrol (WBP)** is a STATEWIDE Organization of over Fifty Volunteer Medically Trained Professionals, First Responders, who Enjoying Riding their Bikes and assisting others who are in Need.

The **WBP** is a 'Special Events EMS' Organization that is Requested to assist at many different types of Athletic Events. The **WBP 'TEAM'** Enjoys the opportunity to Ride the different Trails and venues at these exciting Events, while being available to Help with our Medical Training.

Medically Trained '**Patrollers**' on bikes can get into the 'back-country' areas and situations faster and easier than other EMS units, and can give the immediate care needed there, and handle the evacuation of the injured from the 'out back', out to other EMS units, *if needed*, for transport to urgent care.

From simple lacerations.....

.....to Major Injuries!

Bike Patrollers can handle it!

The **Wisconsin Bike Patrol** is requested to Patrol at many **Events**. Mountain Bike Races are the primary request, but we also Patrol for Cyclocross Races, Road Bike Races, Triathlons and even Marathons. The Patrol's assistance at these Events has grown in demand because of our proven Abilities and Expertise over the years.

At most Events, the **Wisconsin Bike Patrol** supplies a Medical Tent, where Patrollers can give extra Care to injured participants. Patrollers are *Very Much* Appreciated by the Racers and race supporters alike.
